

FY2017 CONTINUUM OF CARE PROGRAM

APPLICATION FOR PROJECTS DURING THE 2018-2019 PROGRAM YEAR

APPLICATION DEADLINE: MONDAY, JULY 17TH, 2017 BY 5:00 P.M.

MS Balance of State CoC is accepting applications for the 2018-2019 Continuum of Care funding cycle. Funding will be available for both reallocated and renewal projects. This funding will renew/fund projects that have end dates in 2018 and continue through 2019.

MS Balance of State CoC will conduct an analysis of its existing projects to determine the extent to which each project addresses the goals of '[Opening Doors, Federal Strategic Plan to Prevent & End Homelessness](#)':

- End chronic homelessness by 2017
- Ending homelessness among households with children by 2020
- End youth homelessness by 2020
- End veteran homelessness by 2015

MS Balance of State CoC may reduce and/or eliminate funds for renewal projects to develop new projects through the reallocation of those funds. Projects that are underperforming, obsolete, or ineffective may be reduced or eliminated. **Projects applying for funding are subject to a review that will be conducted which may include surveying community partners and/or site visits.**

New projects can only be permanent supportive housing projects for the chronically homeless or rapid re-housing projects for individuals or families coming directly from the streets or emergency shelters, and includes persons fleeing domestic violence.

To be considered for funding, applicants must have at least 1 year of data in the **MS Balance of State AWARDS HMIS** or if providing services to victims of domestic violence, then participation is with non-identifying information in a comparable database. Also, **all CoC application submissions must be in conformity to the CoC's system-wide written program standards** ([click to view the standards](#)).

HUD has made funds available through a permanent housing bonus for new projects. The CoC may create the following type of new projects:

- New permanent supportive housing projects that will serve 100% chronically homeless families and individuals
- New rapid re-housing projects that will serve homeless individuals and families coming directly from the streets or emergency shelters, and includes persons fleeing domestic violence situations and other persons meeting the criteria of paragraph (4) of the definition of homelessness.

HUD will allow new projects to request funding for terms of 1, 2, 3, 4, 5 or 15 years. Projects requesting leasing may only request up to 3 years. Project-based or sponsor-based rental assistance may request up to a 15-year term. New projects requesting capital costs (new constructions, acquisition, or rehabilitation) will be for 3 or 5 years. New projects must request at Fair Market Rent (FMR) rates. Renewals may request less than the Fair Market Rent Rate.

MS Balance of State CoC will follow HUD's policy priorities for the FY2016 Program Competition, currently found in the FY2016 NOFA: Strategic Resource Allocation, Ending Chronic Homelessness,

Ending Family Homelessness, Ending Youth Homelessness, Ending Veteran Homelessness, and a Housing First Approach.

A separate application must be completed for each project, with the following attachments:

- 1) Most recent APR
- 2) Most recent A-133 Audit or certified Financial Statements
- 3) Copy of 501©(3) documentation
- 4) Copy of Agency Code of Conduct

Application submissions can be:

- 1) ****Preferred:** submitted online via [the CoC FY17 Project Application Submission](#)
- 2) mailed to MS Balance of State CoC, ATTN: CoC Coordinator, P.O. Box 24147, Jackson, MS 39225
- 3) hand delivered to MUTEH, [201 West Capitol Street, Suite 800, Jackson, MS 39201](#)
- 4) faxed to (866) 551- 0916
- 5) E-mailed to rglenn@msbos.org

Applicants will receive written notice that their project has been accepted and will be ranked as part of the CoC Consolidated Application, or that their application has been denied and the reason for denial. Applicant agencies must enter their accepted project in the [e-snaps](#) electronic grants management system prior to being ranked for funding.

The CoC Application begins on next page.

1. Project Applicant Name: MUTEH

2. Project Contact Information:

Name: Ledger Parker

Title: Executive Director

Email Address: lparker@muteh.org

Phone Number: 601-960-0557

Fax Number: 1-866-551-0916

3. Project Applicant's DUNS Number: 078837999

Active in SAM (Y/N): Yes

4. Project Name: CoC RRH

5. Project Type: Renewal New

6. Project Component:
Permanent Supportive

7. Program Type and Term

Term: 1-Year Term

Project Type (check a box below):

- Permanent Supportive Housing – New
- Permanent Supportive Housing RRH – New
- Permanent Supportive Housing – Renewal Project
- Transitional Housing – Renewal Project
- Supportive Services Only – Renewal Project
- Permanent Housing – RRH Renewal Project
- Permanent Supportive Housing – Bonus Funding
- Permanent Supportive Housing – RRH - Bonus Funding
- Joint Transitional Housing/Permanent Supportive Housing RRH – Bonus Funding

8. Provide a general description of the project that addresses the entire scope of the project. The description must identify the target population and address supportive services and the specific housing activities, including any housing development activities.

Identify target population

The strive towards ending homelessness in Mississippi among the populations identified by USICH (Veterans, chronically homeless, families, and youth and young adults) is more attainable than ever before. In the past four years alone, since MUTEH started administering multiple grants including CoC, SSVF, and ESG, there has been a decrease of 38% in homeless Veterans, 60% in chronically homeless, 20% of homeless families, and 98% in homeless youth. MUTEH is fully committed to providing equal access to all populations that are qualified and seeking services. MUTEH has Equal Access and Fair Housing policies for all of its housing programs, and these policies along with Housing First allow MUTEH's programs to have no barriers and to reach the hardest to serve applicants.

Though there has been great progress towards the goal of ending homelessness as noted in the progressively decreasing rate of homelessness among various populations, there is still a lot more work to do in regards to obtaining and maintaining this goal. As the lead agency in the Balance of State, MUTEH provides services to 71 counties. The majority of these counties in the BoS are considered rural. These counties have the highest poverty rates of the State with the Delta being the most impoverished community in the entire State of Mississippi (U.S. Department of Commerce, 2015). During the 2017 PIT count for the BoS, a total of 697 homeless households were counted. Among the six regional coalitions, the 2017 PIT count reported 126 in the Delta Region 117 in the Northeast Region, 143 in the Central Mississippi Region, 232 in the Pine Belt Region, 50 in the Southwest Region, and 29 in the North Central Region. This count includes 33 chronically homeless individuals, 232 families, and one youth and young adults. Most counties where homeless were identified have limited resources to help the homeless towards stability. The proposed CoC RRH project will target homeless individuals as defined by HUD's homeless definition located the BOS Mississippi.

In identifying and providing services to the homeless population, MUTEH uses three main supportive service activities:

Activity #1) Outreach: MUTEH actively goes into the community to find the homeless where they are and to connect them to CES for appropriate resources. Because the BoS includes a lot of rural towns, it is sometimes hard to find the unsheltered homeless and encampments located throughout the state. To help find encampments and reach all the homeless, MUTEH's Outreach use new innovations and technology. For example, MUTEH uses a drone in heavily wooded areas to help locate encampments. MUTEH also uses GPS coordinates to help map and document encampments in a confidential manner. All individuals identified through outreach are connected to the CES.

As the BoS collaborative applicant agency and HMIS lead for the BoS, MUTEH participates in the CoC Coordinated Entry System (CES) and its monthly case conferencing of the CES list through CoC Regional Coalition meetings. Qualified applicants are referred to MUTEH's programs through CES, outreach, partnering agencies, or directly by the client. Through CES case conferencing, applicants are referred through a warm handoff to an agency that can best meet their needs whether it's domestic violence services, Veterans' services, ASC services, mental health services, or homeless services.

- MUTEH receives referrals directly from community agencies including but not limited to shelters, community outreach leads, DMH, local CMHC, PACT, Ability Works, Veteran

Service Providers, community kitchens, faith-based agencies, DHS, and other community providers.

- MUTEH uses the Housing First model to engage individuals and connect them to housing services including services from MUTEH. Applicants who refuse housing are eligible for re-evaluation for housing services.
- To meet the goal of ending homelessness, services are priorities based on USICH prioritization of Veterans, chronic homelessness, families, and youth/young adults. Applicants are also prioritized based on VI-SPDAT screening score.

Activity #2) Housing Search- The proposed program will follow the tenant-based rental assistance (TBRA) model in which program participants locate housing of their choice with the aid of MUTEH's Housing Specialist in the private rental market. MUTEH works quickly to access appropriate housing for qualified applicants. As soon as the applicant is determined eligible for program assistance, the Housing Team start the housing search and placement. MUTEH's Housing Team uses proven ways to gain and maintain landlord relations including maintaining a statewide housing list of landlords who are willing to work with grant funded programs.

- MUTEH's Housing Team conducts the following housing supportive services directly or through the community:
 - Housing search, HQS inspection yearly on all units, lead screening, and inspection verify FMR and Rent Reasonableness of proposed unit, lease education, rental assistance, deposits.
 - MUTEH Housing Team works with client's Stability Plan regarding housing placement. MUTEH also works with the local Salvation Army thrift stores and other community thrift stores to secure basic furniture, utensils, and a food box at move-in.

Activity #3) Case Management - The case managers work simultaneously with MUTEH's Housing Team and Outreach Team so that as soon as an applicant is determined eligible, he/she starts to work on their individualized service plan for self-stability. MUTEH staff are trained to provide case management using the Critical Time Intervention CTI Case Management model. The CTI is a time sensitive approach which depends on stability through the community.

- The CTI model is a 9-month case management model where during the first three months the case manager provides intensive services providing connections and advocating for the client to community providers, employers, landlord, and other providers. By the 4th-6th month, the case manager is showing the applicant how to connect with services in the community, and how to address stability issues. Finally, at the 7th-9th month, the case manager is encouraging the client to address their stability issues with the tools provided and the community without the case manager's help. This process encourages self-sustainability and self-reliance.
- MUTEH recognizes that financial services for housing stability should be based on need; therefore, each case will be evaluated monthly for the need of continued assistance.
- To increase stability, MUTEH case managers work with Community Mental Health Centers, Win Job Centers, Ability Works, PACT teams, Veteran Service Providers, private employers, Social Security, the Housing Authority, and other community providers to secure mental health case management, employment, and if needed a transition to affordable housing.
- MUTEH will provide the following case management supportive services directly or through the community:

- case management, education services, employment assistance and job training, child care, substance abuse treatment services, transportation, and outreach services.

Through this coordination of services, MUTEH is able to address some of the high homeless priorities as identified by Opening Doors and the State Consolidated Plan.

9. Identify the community/area to be served:

MUTEH’s organizational setup and program policies are built to provide effective and efficient services over large geographic areas. MUTEH’s RRH CoC program will serve all 71 counties in the Balance Of State. The Balance Of State 71 counties includes: DeSoto, Marshall, Benton, Tippah, Alcorn, Tishomingo, Tunica, Tate, Union, Prentiss, Coahoma, Quitman, Panola, Lafayette, Pontotoc, Lee, Itawamba, Tallahatchie, Yalobusha, Calhoun, Chickasaw, Monroe, Grenada, Webster, Clay, Sunflower, Leflore, Montgomery, Carroll, Choctaw, Oktibbeha, Lowndes, Washington, Humphreys, Holmes, Issaquena, Sharkey, Yazoo, Holmes, Attala, Winston, Noxubee, Leake, Neshoba, Kemper, Scott, Newton, Lauderdale, Simpson. Smith, Jasper, Clarke, Claiborne, Jefferson. Adams, Franklin, Lincoln, Lawrence, Wilkinson. Amite, Pike, Walthall, Jefferson Davis, Covington, Jones, Wayne, Marion, Lamar, Forrest, Perry, Greene (see attached coverage map).

10. Will your project participate in the MS Balance of State CoC Coordinated Entry System when developed?

- Yes
- No

11. Does your project have a specific population focus? (select all that apply)

- | | |

12. Experience

a. Describe your agency’s experience in working with homeless persons.

Describe any relevant previous work of a similar nature, especially as it relates to working with homeless persons and the project’s target population.

Mississippi United to End Homelessness (MUTEH) has 26 years of experience with the homeless community and community providers. In that time, MUTEH has grown from an agency that provides oversight to the Balance of State to an agency that provides direct

community services. For the past eight years, MUTEH has managed homeless and housing grants that allow the agency to serve a total of _____ households connecting these individuals to services they need in the community. During these years, MUTEH provided housing assistance and supportive services to _____ Veterans, _____ chronically homeless, _____ families, and _____ young adults. MUTEH was able to engage these households by working collaboratively with local community providers and using innovative practices to find and engage the hardest to serve populations. MUTEH is fully committed to providing equal access to all populations that are qualified and seeking services. MUTEH has Equal Access and Fair Housing policies for all of its housing programs, and these policies along with Housing First allow MUTEH's programs to have no barriers and to reach the hardest to serve applicants.

MUTEH's experience with housing projects include:

- CoC PSH projects have included Mississippi Housing Alliance and Pine Grove Village. MUTEH has a total of eight years experience in managing HUD Permanent Supportive Housing Programs. MUTEH was awarded a total of \$200,000 annually in PSH and housed a total of 117 applicants since 2012, exiting 74% into stable housing.
- CoC RRH: MUTEH currently has a HUD funded RRH Permanent Housing project. MUTEH has been effectively managing this program for the past two years. With this program, MUTEH was awarded \$248,304 to serve a total of 40 households.
- ESG: MUTEH currently has a RRH and HP program funded through ESG. MUTEH has provided ESG services to the entire Balance of State for the past four years.
- SSVF: MUTEH currently has a RRH and HP program funded through SSVF. MUTEH provided SSVF services to the northern _____ counties of Mississippi for the past four years.
- HPRP: Before ESG, MUTEH managed a \$7.9 million dollars HUD HPRP grant.

- b. **If applicable, describe your agency's experience as it relates to timely construction or rehabilitation.** All developers should have experience with environmental documentation and permit. Include the role

of each developer, and the oversight and construction management to ensure timely completion property construction or rehabilitation.

N/A

c. Describe your agency's experience as it relates to leasing units, administering rental assistance, providing supportive services, and implementing a HMIS, as applicable to the proposed project.

MUTEH's 8 years of providing supportive and housing services to the homeless population consisted of housing, case management, and necessary supportive services all tracked in HMIS. All of MUTEH staff are trained and cross trained on the CTI case management model, motivational interviewing, housing first, Equal Access/Fair Housing, appropriate rental assistance requirements and documentation, and outreach techniques. MUTEH team of providers consists of Outreach, Housing, and Case Managers, and this of providers manages all supported services provided through MUTEH's, ESG, SSVF, CoC, and CHOICE housing grants. These grants are just a few examples of MUTEH's ability and experience in managing rental assistance projects, HMIS, and working with the homeless population. Our performance led to MUTEH receiving national recognition for its proficiency in HMIS and for its innovative outreach, housing and case management techniques. Due to these best practices, MUTEH's Executive Director has presented at USICH peer panel and SSVF national webinar on Data Connections and Service Provision. These best practices are seen in all of MUTEH programs and in the services provided from eligibility determination to stability and discharge and are reflected in the fact that MUTEH has never received a program finding and in its program success. During the 2015 ESG grant year, MUTEH transitioned 89% of its applicants to permanent housing, 72% was discharged with income, and the average days to house a client was 43 days.

13. Housing First Characteristics

a. Does the project quickly move participants into permanent housing?

Yes

No

b. Does the project ensure that participants are not screening out based on the following items? Select all that apply. By checking all of the first four boxes, this project will be considered [low barrier](#).

Having too little or no income

Active or history of substance abuse

Having a criminal record with exceptions for state-mandated restrictions

History of domestic violence (e.g. lack of a protective order, period of separation from abuser, or law enforcement involvement)

None of the above

c. Does the project ensure that participants are not terminated from the program for the following reasons? Select all that apply.

Failure to participate in supportive services

Failure to make progress on a service plan

Loss of income or failure to improve income

Being a victim of domestic violence

Any other activity not covered in a lease agreement typically found in the project's geographic area.

None of the above

d. Does the project follow a "Housing-First" approach?

Yes

No

14. Supportive Services for Participants

- a. For all supportive services to participants, indicate who will provide them, how they will be accessed, and how often they will be provided.

Supportive Services		Provider	Frequency
Assessment of Service Needs		Applicant	Weekly
Assistance with Moving Costs		Applicant	As Needed
Case Management		Applicant	Weekly
Child Care		Applicant	As Needed
Education Services		Applicant	As Needed
Employment Assistance and Job Training		Applicant	Monthly
Food		Applicant	As Needed
Housing Search and Counseling Services		Applicant	Weekly
Legal Services		Applicant	As Needed
Life Skills Training		Applicant	Monthly
Mental Health Services		Applicant	As Needed
Outreach Services		Applicant	Daily
Substance Abuse Treatment		Applicant	As Needed
Transportation		Applicant	As Needed
Utility Deposits		Applicant	As Needed

- b. Please identify whether the project includes the following activities:

- i. Transportation assistance to clients to attend [mainstream benefit](#) appointment, employment training, or jobs?

Yes

No

ii. **At least annual follow-ups with participants to ensure mainstream benefits are received and renewed?**

Yes

No

iii. **Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a sub-recipient, or partner agency?**

Yes

No

15. Housing Type and Location

List of possible housing types:

- **Barracks** (Individual or family sleeps in a large room with multiple beds.)
- **Dormitory, shared or private room** (Individuals or families share sleeping rooms or have private rooms; persons share a common kitchen, common bathrooms, or both.)
- **Shared Housing** (Up to 8 individuals or 4 families share a self-contained housing unit)
- **Single Room Occupancy (SRO) units** (Each individual has private sleeping/living room which may contain a private kitchen and/or bath, or shared, dormitory style facilities.)
- **Clustered apartments** (Each individual or family has a self-contained housing unit located within a building or complex that houses both persons with special needs—e.g., homeless or formerly homeless persons, persons with substance abuse problems, persons with mental illness, or persons with AIDS/HIV—and persons without any special needs.)
- **Scattered Site Apartments** (Each individual or family has a self-contained apartment that is dispersed throughout the community.)
- **Single family homes/townhouses/duplexes**

Report the number of units and beds available at a point-in-time and used for housing participants in this project. Please list the types of proposed housing for this project:

Housing Type	Address	Units	Beds	Dedicated CH Beds	Non-Dedicated CH Beds
Scattered-Site Apartments.		40	80		
Choose an item.					
Choose an item.					
Choose an item.					
Choose an item.					
Choose an item.					

Choose an item.					
	TOTAL	40	80		

16. Discuss plans to coordinate with other entities serving homeless persons (including ESG funded programs and any other Federal, State, and private entities):

MUTEH uses the community as a platform to provide services by tapping into existing programs and removing the segregated approach to homeless services. In all of its programs, MUTEH has found ways to collaborate grants with the same goal and coordinate services in the community. Recognizing that there are limited resources, it is MUTEH’s policy to provide effective and efficient services. In the community, MUTEH aim is to pull together existing services, analyze the community for gaps, and work with the community to provide a more comprehensive approach to services. From intake and assessment to discharge and stabilization, MUTEH relies on collaboration and coordination between the client, the community, and existing homeless programs.

MUTEH receive multiple grants that target the homeless population including a housing grant from the Department of Mental Health and Mississippi Home Cooperation to house mentally disabled homeless individuals, ESG, SSVF, and HOPWA. MUTEH collaboration allows applicants to receive additional services that are not funded by the CoC grant. For example, MUTEH's partnership with ESG funded agencies, and SSVF funded agencies, community action agencies allows for applicants to get assistance with rental and utility arrears which may prevent them from moving into a unit. MUTEH’s partnership with churches and faith based ministries allow applicants to access needed furniture like beds to help make their new unit a home, and food boxes so homeless individuals can move into a unit with a kitchen full of food. Finally, MUTEH’s partnership with Ability Works, Department of Mental Health, P-ACT, Department of Human Services, Win Job Centers, Labor Finder, Mississippi Center for Justice, CoC agencies and other supportive services allows applicants to receive mental and medical services, employment services, and legal services that are needed to maintain stability. In addressing the first priority of Opening Doors to end homelessness among Veterans, MUTEH established a task force which consists of the collaborative effort of SSVF providers, the CoC, faith based agencies, the VA, and Aids Service Coalition. This team of providers uses CoC, ESG, SSVF funds to house identified homeless Veterans through the BOS.

In addressing the State’s Consolidated Plan Priorities (providing services to vulnerable populations: HIV, homeless), MUTEH collaborates with AIDS Services Coalition (ASC). This collaboration allows for services to be prioritized to homeless individuals living with HIV/AIDS and their families. As needed, ASC provides support services to qualified individuals while MUTEH provides housing services. Using this collaboration as a foundation, MUTEH was awarded an HOPWA development grant which should be completed within 12 months. MUTEH anticipates that this HOPWA development grant will increase affordable housing availability to the HIV population in Meridian, Mississippi and increase their access to support services.

With such limited resources in the homeless community, and recognizing that the just "one and done" (one month rent) approach is not conducive to stabilization, MUTEH has designed the proposed program not just to be housing focus, but also to be stability driven through program and agency collaboration. MUTEH has developed MOUs with agencies throughout the BOS to decrease program siloes and to increase program coordination for the purpose of increasing stability and ending homelessness. To increase applicant's stability, MUTEH case management team will seek to cultivate new relationships with individuals in the community. Through this coordination of services, qualified applications will be connected directly to mental health case management, employment, and housing services.

17. Demonstrate how and when full capacity will be achieved (for new projects only):

N/A

18. Describe how participants will be assisted to obtain and remain in permanent housing. The narrative should describe plans to move participants from the streets, emergency shelters, and transitional housing into permanent housing, and plans to ensure that participants stabilize in permanent housing. Include case management activities, the availability, and accessibility of supportive services, including primary health services, mental health services, educational services, employment services, life skills, and child care services, if applicable.

From intake and assessment to discharge and stabilization, MUTEH relies on collaboration and coordination between the client and the community. MUTEH's program strategy consists of three main components which are all community collaboration centered. MUTEH's three main program components are:

- Outreach- MUTEH actively goes into the community to find homeless where they are and to connect them to CES for appropriate resources. As the BoS collaborative applicant agency and HMIS lead for the BoS, MUTEH participates in the CoC Coordinated Entry System (CES) and in its monthly case conferencing of the CES list through CoC Regional Coalition meetings. Qualified applicants are referred to MUTEH's programs through CES, outreach, partnering agencies, or directly by the client. Through CES case conferencing, applicants are referred through a warm handoff to an agency that can best meet their needs whether it's domestic violence services, Veterans' services, ASC services, mental health services, or homeless services.
 - MUTEH uses the Housing First model to engage individuals and connect them to housing services including services from MUTEH. Applicants who refuse housing are eligible for re-evaluation for housing services.
 - Once the applicant is screened and determined eligible for services, MUTEH's Outreach Team develops their initial Stability Service Plan with the applicant, and

it is signed by the applicant to show their willingness to participate in the program. The Stability Service Plan is worked on at every stage in the stability process.

- Housing Search- MUTEH CoC RRH program is a TBRA program; therefore, applicants fully participates with MUTEH's housing case managers to find appropriate housing.
 - MUTEH works collaboratively with applicants and the community to secure housing. MUTEH allows client's choice regarding finding a unit; however, MUTEH Housing Team educates clients on terms of their lease, safety in their unit, and affordability regarding their current/prospective income. Once approved for assistance, the housing search and placement begins.
 - MUTEH ensure that applicants find affordable units that meet the Fair Market Rent of the area and Rent Reasonableness. The housing team also conducts HQS inspections and Lead Inspections.
 - To move applicants into a unit quickly, landlords are provided pledge letters by the agency. The pledge letter allows applicants to move into a unit while payment to the landlord is being processed.
 - MUTEH housing team works with client's Stability Plan regarding housing placement. MUTEH also works with the local Salvation Army thrift stores and other community thrift stores to secure basic furniture, utensils, and a food box at move-in.
- Case management and stability- The case managers work simultaneously with MUTEH's Housing Team and Outreach Team so that as soon as an applicant is determined eligible, he/she starts to work on their individualized service plan for self-stability. MUTEH staff are trained to provide case management using the Critical Time Intervention CTI Case Management model. The CTI is a time sensitive approach which depends on stability through the community.
 - The CTI model is a 9-month case management model where during the first three months the case manager provides intensive services providing connections and advocating for the client to community providers, employers, landlord, and other providers. By the 4th-6th month, the case manager is showing the applicant how to connect with services in the community, and how to address stability issues. Finally, at the 7th-9th month, the case manager is encouraging the client to address their stability issues with the tools provided and the community without the case manager's help. This process encourages self-sustainability and self-reliance.
 - MUTEH recognizes that financial services for housing stability should be based on need; therefore, each case will be evaluated monthly for the need of continued assistance.
 - To increase stability, MUTEH case managers work with Community Mental Health Centers and other service providers. MUTEH is also working with different Housing Authorities in Mississippi to provide a preference on receiving Section 8 for mentally disabled and homeless individuals. For example, through the work of the CHOICE housing program, MUTEH was able to get a mental health (CHOICE) preference at Tennessee Valley Regional Housing Authority (TVRHA). TVRHA is also considering placing a homeless preference in their housing programs.

Through this coordination of services, MUTEH is able to quickly move someone from unsheltered homelessness to housing stability. MUTEH team of providers all work with the community and applicant to reach the goals identified in the Housing Stabilization Plan.

19. Describe specifically how participants will be assisted both to increase their employment and/or income and to maximize their ability to live independently (i.e. access to [mainstream benefits](#)).

Increasing income among the homeless population is difficult but accessible when a network of community providers. MUTEH's case managers work diligently with community employment resources and agencies to help applicants develop a resume, obtain work equipment, obtain a GED (if needed to increase employment), and in some areas get transport to work. The case manager assists clients in identifying appropriate training classes to match their interest and aptitude, and job preparation including resume building and identifying appropriate jobs. They also help disabled clients who want to work get employment Ability Works and P-ACT employment programs. MUTEH has SOAR train providers that can help disabled applicants with no income access SSI/SSDI. At intake and need assessment, the case manager is informed of what all services the applicants will need to help increase stability including insurance, income, and food stamps. The case manager adds those services that are needed to help stability to the client's service plan and work with the client to obtain those services. MUTEH case managers will help applicants develop a resume and connect them to existing employment resources in the community. MUTEH case manager will develop relationships with employers and employment agencies whereas clients are connected directly to the employment services they need. The case manager will update applicant income every 3 months or more often if needed. MUTEH case manager will also transport clients as needed.

20. Project Participants – Households

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Households	Household w/at least 1 Adult & 1 Child	Adult HH without Children	HH with only Children	Total
Total # Households	7	65	0	72

a. Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and on child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics	Persons In Households With At Least One Adult And One Child	Adult Persons In Households Without Children	Persons In Households With Only Children	Total
Adults over age 24	5	73		78
Adults ages 18-24	0	9		9
Accompanied Children under age 18	14		0	14
Unaccompanied Children under age 18			0	0
Total Persons	19	81	0	101

21. Project Participants – Subpopulations

Please mark proposed subpopulation number and type of project participants:

a. Persons in Households with at Least One Adult and One Child

Characteristic	Chronically Homeless Non-Veterans	Chronically Homeless Veterans	Non-Chronically Homeless Veterans	Chronic Substance Abuse	Persons with HIV/AIDS	Severely Mentally Ill	Victims of Domestic Violence	Physical Disability	Developmental Disability	Persons not represented by listed subpopulations
Adults over age 24	0	0	0	1	0	1	1	1	1	3
Adults ages 18-24	0	0	0	0	0	0	0	0	0	1

Children under age 18	0			0	0	0	0	1	1	0
Total Persons	0	0	0	1	0	1	1	2	2	4

b. Persons in Households without Children										
Characteristics	Chronic ally Homeles s Non- Veterans	Chronic ally Homeles s Veterans	Non- Chronica lly Homeles s Veterans	Chronic Substan ce Abuse	Persons with HIV/AIDS	Severely Mentally Ill	Victims of Domesti c Violence	Physical Disabilit y	Develop mental Disabilit y	Persons not represent ed by listed subpopul ations
Adults over age 24	15	3	4	10	1	15	3	7	4	5
Adults ages 18-24	0	0	0	0	0	0	0	0	1	1
Total Persons	15	3	4	10	1	15	3	7	5	6

c. Persons in Households with Only Children										
Characteristics	Chronic ally Homeles s Non- Veterans	Chronic ally Homeles s Veterans	Non- Chronica lly Homeles s Veterans	Chronic Substan ce Abuse	Persons with HIV/AIDS	Severely Mentally Ill	Victims of Domesti c Violence	Physical Disabilit y	Develop mental Disabilit y	Persons not represent ed by listed subpopul ations
Accompanied Children under age 18	0			0	0	0	0	0	0	0
Unaccompanied Children under age 18	0			0	0	0	0	0	0	0
Total Persons	0			0	0	0	0	0	0	0

Describe the unlisted subpopulations referred to above:

N/A

22. Outreach for Participants

Enter the percentage of project participants that will be coming from each of the following locations (must total 100%):

50% Directly from the street or other locations not meant for human habitation.

50% Directly from emergency shelters.

Click here to enter text. Directly from safe havens.

Click here to enter text. Directly from the street or other locations not meant for human habitation.

Click here to enter text. From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens.

Click here to enter text. Persons fleeing domestic violence.

100% Total of above percentages

23. Standard Performance Measures

The Mississippi Balance of State adheres to the standard performance measures of High-Performing Communities (HPCs) outlined in the [CoC Program Interim Rule, Subpart E \(578.65 through 578.71\)](#) and expects project applicants to strive for the standards contained within the document.

Please specify the universe and target for the housing measure.

Housing Measure	Target (#)	Universe (#)	Target (%)
PSH: Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing destinations (per data element 3.12 of the 2014 HMIS Data Standards) during the operating year.		Click here to enter text.	

Choose one income-related performance measure from below, and specify the universe and target number for the goal.

Income Measure	Target (#)	Universe (#)	Target (%)
Adults who maintained or increased their total income (from all sources) as of the end of the operating year or project year or project exit.	<u>38</u>	Click here to enter text.	<u>75%</u>
OR			
Adults who maintained or increased their earned income as of the end of the operating year or project exit.	Click here to enter text.	Click here to enter text.	Click here to enter text. %

24. Leased Units Budget

The following list summarizes the funds being requested for one or more units leased for operating the projects. New projects must request at Fair Market Rent (FMR) rates. Renewals may request less than the Fair Market Rent Rate.

25. Supportive Services Budget (see [CoC Interim Rule 578.53](#) for detailed description)

Supportive services must be necessary to assist program participants obtain and maintain housing.

Eligible Costs	Quantity AND Description	Annual Assistance Requested
1. Assessment of service needs	.75 FTE	\$20,000
2. Moving costs	Eligible expenditures as needed	\$5,000
3. Case Management	1.5 FTE	\$40,000
4. Child care	Eligible expenditures as needed	\$1,500
5. Education services	.25 FTE	\$7,310

6. Employment assistance	.75 FTE	\$21,000
7. Food	Eligible expenditures as needed	\$4,662
8. Housing/Counseling Services	1.5 FTE	\$45,000
9. Legal Services	Eligible expenditures as needed	\$1,000
10. Life Skills	1.0 FTE	\$35,000
11. Mental Health Services	Eligible expenditures as needed	\$1,000
12. Outpatient Health Services	Eligible expenditures as needed	\$1,000
13. Outreach Services	.25 FTE	\$7,500
14. Substance Abuse Treatment Services	Eligible expenditures as needed	\$2,000
15. Transportation	Eligible expenditures as needed	\$8,400
16. Utility Deposits	Eligible expenditures as needed	\$7,500
17. Operating Costs	.50 FTE, Space cost, copier lease, telephones, liability insurance, supplies	\$50,948
Total Annual Assistance Requested		\$258,820
Grant Term		1 Year
Total Request for Grant Term		\$258,820

26. Operating Budget (see [CoC Interim Rule 578.55](#) for detailed description)

Grant funds may be used to pay the costs of the day-to-day operation of transitional and permanent housing in a single structure or individual housing units. **You cannot have an operating budget and rental assistance budget simultaneously.**

Q4. HMIS Information

Project Identifiers in HMIS

Organization Name	MS United to End Homelessness
Organization ID	8EAF8738754DEB46C1570052D8FFF0B2
Project Name	MUTEH CoC RRH
Project ID	70031145
HMIS Project Type	PH - Rapid Re-Housing (13)
Method for Tracking ES	N/A
Is the Services Only (HMIS Project Type 6) affiliated with a residential project?	N/A
Identify the Project IDs of the housing projects this project is affiliated with	N/A

Q5. Report Validations

Total Number of Persons Served	110
Number of Adults (age 18 or over)	96
Number of Children (under age 18)	14
Number of Persons with Unknown Age	0
Number of Leavers	16
Number of Adult Leavers	16
Number of Adult and Head of Household Leavers	16
Number of Stayers	94
Number of Adult Stayers	80
Number of Veterans	25
Number of Chronically Homeless Persons	38
Number of Youth Under Age 25	5
Number of Parenting Youth Under Age 25 with Children	0
Number of Adult Heads of Household	80
Number of Child And Unknown-Age Heads of Household	0
Number of Heads of Households and Adult Stayers in the project more than 365 days	0

Q6. Data Quality

a. Personally Identifiable Information

Data Element	Client Doesn't know/Refused	Information Missing	Data Issues	% of Error Rate
Name	0	0	2	1.82%
Social Security Number	1	0	0	0.91%
Date of Birth	0	0	1	0.91%
Race	0	0	<input type="text"/>	0.00%
Ethnicity	0	0	<input type="text"/>	0.00%
Gender	0	0	<input type="text"/>	0.00%
Overall Score	<input type="text"/>	<input type="text"/>	<input type="text"/>	3.64%

b. Universal Data Elements

Data Element	Error Count	% of Error Rate
Veteran Status	0	0.00%
Project Entry Date	0	0.00%
Relationship to Head of Household	1	0.91%
Client Location	0	0.00%
Disabling Condition	0	0.00%

c. Income and Housing Data Quality

Data Element	Error Count	% of Error Rate
Destination	1	6.25%
Income and Sources at Entry	1	1.04%
Income and Sources at Annual Assessment	0	0.00%
Income and Sources at Exit	0	0%

d. Chronic Homelessness

Entering into Project Type	Count of Total Records	Missing Time in Institution	Missing Time in Housing	Approximate Date Started DK/R/missing	Number of Times DK/R/missing	Number of Months DK/R/missing	% of Records Unable to Calculate
ES, SH, Street Outreach	0			0	0	0	0.00%
TH	0	0	0	0	0	0	0.00%
PH (all)	96	0	0	0	0	1	1.04%
Total	96						1.04%

e. Timeliness

Time for Record Entry	Number of Project Entry Records	Number of Project Exit Records
0 Days	48	4
1-3 Days	22	2
4-6 Days	19	1
7-10 Days	10	1
11+ Days	11	8

f. Inactive Records: Street Outreach and Emergency Shelter

Data Element	Number of Records	Number of Inactive Records	% of Inactive Records
Contact (Adults and Heads of Household in Street Outreach or ES – NBN)	0	0	0%
Bed Night (All clients in ES – NBN)	0	0	0%
