

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2019 Continuum of Care (CoC) Program Competition. For more information see FY 2019 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2019 CoC Program NOFA and the FY 2019 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- New projects may only be submitted as either Reallocated, Bonus Projects, Reallocated + Bonus or DV Bonus. These funding methods are determined in collaboration with local CoC and it is critical that applicants indicate the correct funding method. Project applicants must communicate with their CoC to make sure that the CoC submissions reflect the same funding method.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- HUD reserves the right to reduce or reject any new project that fails to adhere to (24 CFR part 578 and application requirements set forth in FY 2019 CoC Program Competition NOFA.

2B. Experience of Applicant, Subrecipient(s), and Other Partners

1. Describe the experience of the applicant and potential subrecipients (if any), in effectively utilizing federal funds and performing the activities proposed in the application, given funding and time limitations.

The primary applicant for this funding application is Resilience Development Corporation (RSD) which was created to provide affordable housing opportunities to underserved individuals and families throughout rural Mississippi. RDC was established in 2018 and is a 501 (c)(3) non-profit the mission is to serve as a community development initiative that will offer Housing, Education, and Workforce Development/Career Training. This application will be the first initiative for RSD under the guidance and capacity of Promise Development Corporation (PDC) Leadership and their Continuum of Care Team. PDC was established in 2000 and is a 501 (c)(3) non-profit organization Community Housing Development Organization (CHDO). The mission is to enhance the quality of life in the North Memphis community through creating and preserving affordable housing; promoting economic development opportunities, and encouraging a greater sense of community life, commitment and involvement.

For the past 8 years, PDC has been instrumental in advancing the efforts to ending homelessness in the Shelby County area. Beginning in 2011, expanded its community development initiatives to include supporting people experiencing homelessness with special needs partnering with Trinity Community Outreach Coalition Outreach (TCCO). This partnership included Memphis Inter-Faith Association (MIFA) and other temporary homeless shelters along mainstream service agencies providing a collaborative system of mainstream resources and case management. As a result, PSH was provided to 61 chronically homeless individuals disabled by severe mental illness and co-occurring substance use disorders. This initiative was designed to reduce dependency on the local shelters and avoid coincidences of reoccurring homelessness. Their success was contributed to PDC's ability to establish relationships with various property owners and keep enough amounts of units available for move-in. This include obtaining master-leases for units to alleviate client background and credit checks. PDC management team has been instrumental advancing the goals of ending homelessness in Memphis and Shelby County.

Subsequently, PDC was one of five sites in the U.S. to be awarded funding under a national demonstration with the Department of Children Services (DCS) to offer PSH to 73 families called the Memphis Strong Families Initiative (MSFI). All participants came from the MIFA's Rapid Rehousing program's coordinated entry process which provides intake and assessments for homeless families with children and involvement with the welfare system. PDC also accepted a generous donation from MIFA of 5 apartment complexes to be used as part of the MSFI. This collaborative effort with the Community Alliance for the Homeless (CAFTH) and PDC Continuum of Care Team provided an interdisciplinary approach using the Housing First Philosophy.

PDC Continuum of Care Team were specifically trained on using both the Wraparound Process Models and Trauma-Focused Cognitive Behavioral Therapy while interacting with these families. The outcome of these studies determined that the "Supportive Housing Model" is a proven solution that combines a complex mix of affordable housing with services to enhance tenant stability and community improvement.

2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.

PDC has previous experience managing and maintaining funding from federal and private funding sources that include (but are not limited to) the City of Memphis' Community Housing Development Organization (CHDO), Housing and Urban Development (HUD) Community Economic Development Program (CEDP) and Neighborhood Program Grant, Federal Home Loan Bank (FHLB) of Cincinnati Affordable Housing Program (AHP), Tennessee Housing Development Agency (THDA) HOME funds, Neighborhood Stabilization Program (NSP), Continuum of Care (CoC), Community Redevelopment Agency (CRA). PDC has also been successful in leverage funding from BanCorp South and private investors to support developments totaling \$12 million in the past 5 years.

PDC is the fiscal agent for all the listed funding sources, on-going compliance and regular reporting. This includes verification of income, homelessness and disability status, rent calculations and program eligibility. The management team has extensive experience in managing multiple federal contracts and funding simultaneously across several disciplines. This includes periodic monitoring visits of paperwork and on-site inspection visits. Additionally, PDC will employ that same methods of training with the staff of RDC until it is self-sufficient and operating under its own capacity.

3. Describe the basic organization and management structure of the applicant and subrecipients (if any). Include evidence of internal and external coordination and an adequate financial accounting system.

PDC manages and maintains a vast housing portfolio throughout West Tennessee to include Shelby, Tipton and Lauderdale counties. PDC currently owns and manages 89 affordable Single-Family Homes (SFH) and properties, 73 Multi-Family rental units and 103 apartment rental units. Additionally, PDC is designated as a Certified CHDO for the City of Memphis and State of Tennessee. Its operations are headquartered in Memphis, TN totaling 22 staff with 5 directly working with the CoC Program.

Continuum of Care Management Structure:

Executive Director-Provides oversight of all operations, departments, programming, staff, fundraising, development, fiscal management and strategic planning.

Program Director-Reports to the Executive Director and is responsible for the coordination and oversight of the Permanent Supportive Housing Program and

staff.

Housing Coordinator-Reports to the Program Director and provides overall coordination of individualized services designed to help program participants obtain and remaining in permanent housing.

Case Manager- Reports to the Program Director and provides client care by assessing housing and human service treatment needs.

Finance Manager-Reports to the Executive Director and responsible for inflow and outflow of cash, grants, outsourcing accounting solutions and oversight.

HMIS Specialist- Reports to the Program Director and responsible for entering data collected from forms, assist program staff on system changes, updates and compliance.

PDC has established a financial accounting systems and QuickBooks system for the purpose tracking grants funding, recording rent receipts and tracking A/R and A/P. The office staff adheres to strict internal control processes as it pertains to opening mail, recording payments and writing checks, etc. Office Personnel receive annual training on the Internal Control processes ensuring a clear segregate of accounting duties this includes having the Finance Manager to provide oversight of the systems in place. The Finance Committee regularly audits these processes outlining potential risks with recommendations to the Board of Directors for correction. Additionally, PDC maintains its External Controls by outsources to accounting firms for required annual independent audits, quarterly reconciliation reports, review of bank statements and progress reports to HUD and investors.

Once awarded, a Case Manager and Housing Coordinator will be hired and work directly under RDC. The Executive Director, Program Director, HMIS Specialist and Finance Manager will operate in dual roles under PDC and RDC simultaneously.

4a. Are there any unresolved monitoring or audit findings for any HUD grants(including ESG) operated by the applicant or potential subrecipients (if any)? No

3A. Project Detail

1a. CoC Number and Name: MS-501 - Mississippi Balance of State CoC

1b. CoC Collaborative Applicant Name: Mississippi United to End Homelessness

2. Project Name: CoC Delta New Project FY2019

3. Project Status: Standard

4. Component Type: PH

4a. Will the PH project provide PSH or RRH? PSH

5. Does this project use one or more properties that have been conveyed through the Title V process? No

6. Is this new project application requesting to transition from eligible renewal project(s) that were awarded to the same recipient and fully eliminated through reallocation in the FY 2019 CoC Program Competition? (Section II.B.2. and Section III.C.3.q. of the FY 2019 NOFA). No

7. Under CoC Interim Rules, new grant funding cannot replace state or local funds. Can you confirm that this project application for new CoC Program funding will not replace state or local funds?

8. Does this project include Replacement Reserves? No

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

RDC proposes to provide (15) PSH targeting chronically homeless individuals. The organization will work closely with Mississippi (Balance of State) CoC and other supporting outreach agencies for participants in the geographic area. RDC proposes to obtain 15 units, that all will be dedicated to house those experiencing chronic homelessness.

The units will be located throughout the Delta Region in Bolivar, Tallahatchie, Leflore, Sunflower, and Washington counties. The Housing Coordinator will be responsible for locating safe subsidized housing within program standards. The units will be a combination of apartments and/or duplexes based on availability. It will be imperative for us to establish relationships ahead of time to expedite a quick move-in. Additionally, RDC will hold master-leases with utility costs to alleviate background and credit checks.

Services

This program will closely follow the Housing First model. However, participation of these supportive services will be encouraged but not mandatory to receive housing. After initial intake, the Housing Coordinator will focus on moving the homeless individual immediately from the streets or homeless shelters into their own unit. This is regardless of their precondition of sobriety, treatment or financial status. Next, each participant will be assigned a Case Manager, to provide intensive social support services to assist participants through potential barriers and/or challenges. These services are client driven and will vary based on their needs. The Case Manager will assist in developing individualize service plans with a priority in obtaining income, mainstream benefits (i.e. SNAP, insurance).

Since transportation remains a barrier for many individuals throughout the Delta Region, it will be a primary component of support of this project. Transportation assistance will be offered to program participants through case management as well. This will assist the participants with attending health/wellness appointments, employment opportunities and trainings.

The Program Manager will be responsible for creating intensive wrap around services for all participants. The wrap around services will be from primary partnerships with local mental health providers, Dept. of Human Services, Social Security Offices (i.e. SOAR certificated Case Managers), clinics, library, etc. The purpose for the organization to become connected to these resources, is to accomplish the commitment of keeping the participant housed and provided with services.

RDC Program staff will adhere to all CoC Written Standards, HUD's data collection, management, and reporting standards. Program staff will receive training to become certified as End-Users on the Homeless Management Information System (HMIS). The Continuum of Care Team of PDC has the capacity and experience to employ the same system into the Delta, MS area.

2. For each primary project location or structure in the project, enter the number of days from the execution of the grant agreement that each of the following milestones will occur as related to CoC Program funds requested in this project application. If a milestone is not applicable, leave the associated fields blank. If the project has only one location or structure, or no structures, complete only column A. If multiple structures, complete one column for each structure.

Note: To expend funds within statutorily required deadlines, project applicants must be able to begin assistance within 12 months of conditional award. The one exception is for applicants who are conditionally awarded sponsor-based and project-based rental assistance. These conditional award recipients will have 24 months to execute a grant agreement; however, HUD encourages all recipients conditionally awarded funds to begin assistance within 12 months. The estimated schedule should reflect these statutorily required deadlines.

Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

10. Indicate whether the project is “100% Dedicated,” or “DedicatedPLUS,” according to the information provided above. 100% Dedicated

3C. Project Expansion Information

1. Is this New project application requesting a “Project Expansion” of an eligible renewal project of the same component type? No

4A. Supportive Services for Participants

1. Applicants requesting funds to provide housing or services to children and youth, with or without families, must establish policies and practices that are consistent with and do not restrict the exercise of rights provided by subtitle B of title VII of the McKinney-Vento Act (42 U.S.C. 11431, et seq.), and other laws (e.g. Head Start, part C of the Individuals with Disabilities Education Act) relating to the provision of educational and related services to individuals and families experiencing homelessness. Projects serving households with children or youth must have a staff person that is designated to ensure children or youth are enrolled in school and connected to the appropriate services within the community. Reminder: failure to comply with federal education assurances may result in Federal sanctions and significantly reduce the likelihood of receiving funding through the CoC Program Competition.

Please check the box that you acknowledge you will be required to meet the above requirements if you have any qualifying participants.

2. Describe how participants will be assisted to obtain and remain in permanent housing.

A vital part of this program's success is developing supportive services based on the client's needs and goals. This will give them the tools to rebuild their lives, empower them to become self-sufficient and reach their goals for a recovery. Case managers will assist clients in developing an individual service and housing plan upon admission during initial intake. The plan will address issues that impede housing stability and income potential. The housing plan will include goals to develop living skills, housing upkeep skills, coping skills, recovery goals and other goals designed to achieve housing sustainability & improve their quality of life.

3. What specific plan does this project have to specifically coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible?

This project will maximize the use of mainstream and other community-based resources in the MS of Balance State geographic area. RDC's Case Managers will also assist clients with accessing other mainstream resources such as obtaining identification, birth certificates, food stamps and SSI/SSDI benefits. RDC Program Manager will develop a referral system with service providers for the delivery of a continuity of care. Services include mental health, substance abuse services, medical treatment, veteran services and vocational services. This is also includes developing relationships with local employers and employment agencies to offer job placement services to clients.

**4. For all supportive services available to participants, indicate who will provide them and how often they will be provided.
