

## AFTER STREET OUTREACH...

- Has the client been added to an Outreach (Regional or Program Street Outreach)?
- Has the VI-SPDAT been completed (while in Outreach)?
- After adding to Outreach, has the client been immediately added to a regional waitlist ?

Follow-Up Waitlist: for those whom have refused housing or cannot be located by outreach.

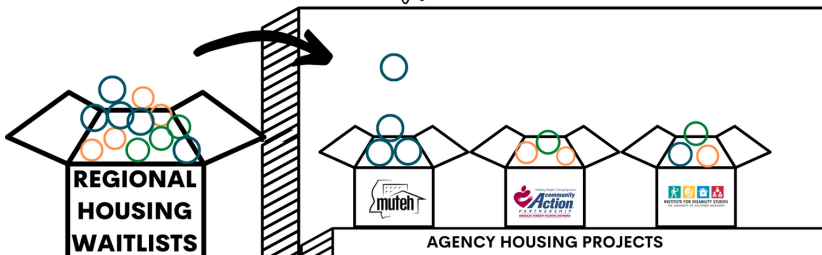

Housing Waitlist = For those whom are interested in housing regardless of housing readiness.

**NOTE: The client must be on a waiting list for 24 hrs. before putting them in a housing program.**

## WHEN ADDING CLIENTS INTO PROGRAM FROM THE WAITLIST...

- 3 CES Navigators will assign clients to agency housing projects from the Regional Housing Waitlists.

Once the assignment is made, the assigned agency would be responsible for removing the client from the housing waitlist and adding the assigned clients into their program.

- Has the client had an HMIS Event completed?
- Has the client been discharged from outreach?

**NOTE: Discharge date from Outreach = Program Admission Date**
