It is prohibited for any CoC-funded, SSVF-funded, or ESG-funded housing project to serve individuals and families experiencing homelessness or at imminent risk of homelessness without the household first going through the Coordinated Entry System and being added to the waitlist.

Per HUD's standard outlined in the CoC program rating and ranking process, 95% of project entries must originate from the Coordinated Entry System (waitlist/prioritization policy). The remaining 5% of project entries must be documented by need and verified with the CES Director.
