13. Mandatory Disclosure Requirement - Recipients or applicants disclose in writing to the awarding program office at HUD, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award within ten days after learning of the violation. Recipients that have received a Federal award including the term and condition outlined in Appendix XII to 2 CFR part 200—Award Term and Condition for Recipient Integrity and Performance Matters are required to report certain civil, criminal, or administrative proceedings to SAM. Failure to make required disclosures can result in any of the remedies described in § 200.338 Remedies for noncompliance, including suspension or debarment. All applicants submit with their application the signed Certification Regarding Lobbying included in the Application download from Grants.gov. In addition, applicants disclose, using Standard Form LLL (SFLLL), "Disclosure of Lobbying Activities," any funds, other than federally appropriated funds, that will be or have been used to influence federal employees, members of Congress, or congressional staff regarding specific awards. Federally-recognized Indian tribes and tribally designated housing entities (TDHEs) established by federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage of the Byrd Amendment, but state-recognized Indian tribes and TDHEs established only under state law shall comply with this requirement.
